## Week of Prayer

Daily, Student-led Devotions - Seek HIM

Each spring HAA has a tradition of holding a week of spiritual emphasis led by students. This year the worship services are pre-recorded, but otherwise are much the same as they have always been. Five young ladies from grades 8-12 will present a daily devotional message on the topic of seeking Christ. In addition to the daily message, each week of prayer service includes praise music by the academy praise team, a children's story illustration by Pastor Frederick, and prayer in a different language every day by board members and community leaders.

It's a wonderful blessing to have this ministry taking place at the very beginning of the new spring season. We pray that the experience will enrich the spiritual lives of our students, staff, and families. And, in turn, each of us will be better able to share the love of Christ with others as we Seek Him in all things.

*But seek first the kingdom of God and His righteousness, and all these things shall be added to you.*  
-Matthew 6:33

# Be a Part of the Future!

## A DEBT FREE HAA

A picture from the 1977-1978 HJA yearbook is our sign for today

Imagine a school filled with joyous children reading, making music, studying, playing sports, making friends, and learning about Jesus. That place is HAA and now we have the opportunity to extend that vision to students throughout Chicagoland and grow both academic and extra-curricular programs.

HAA has been blessed with a \$100,000 challenge grant to raise another \$100,000. Additionally, the Illinois Conference has agreed to match up \$200,000 paid toward the school debt, practically eliminating the debt! This means that every

dollar raised is worth \$4 now and exponentially more in the long run.

Eliminating HAA's debt would benefit the school approximately \$140,000 every single year! As you know, this would allow us to enhance programs, help with tuition assistance, budget for capital improvements, and so much more! We invite you to be a part of HAA's bright future by making a donation. Consider a recurring gift of \$10 or \$20 each month, or a one time gift of any amount. All donations are truly a blessing! If you are not able to give financially at this time, we ask that you would support this stewardship campaign with your earnest prayers on our behalf.

## Reemergence Steps

### MOVING TOWARD NORMAL AGAIN

We are so grateful for the diligence of our school family in maintaining the guidelines and keeping our school safe. God has truly blessed our efforts and we'll continue to lean on Him for guidance as we follow the appropriate state and school protocols, while pursuing a form of normalcy. Some of the steps we are now taking include:

- Resuming athletic training & scrimmages
- Allowing screened volunteers in the building
- Expanding classroom bubbles for activities like chapel & recess
- Students returning to in-person learning, phasing out hybrid schedules\*

We are very thankful for God's blessings and the opportunity to start working back toward normalcy.
