HAA Miracle

Flood waters were held back & HAA preserved

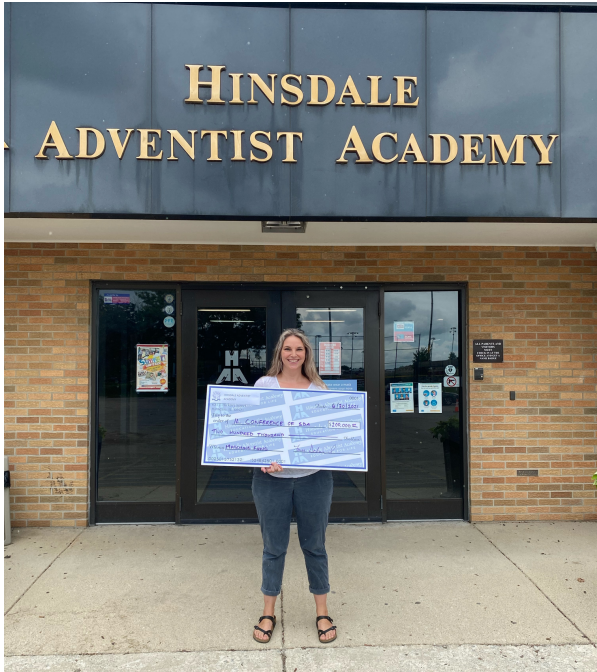

On Sabbath, June 26, the Village of Hinsdale experienced flash flooding throughout the northeast corner of the town. As water flowed down the streets, spouted from drain covers, filled basements, and covered yards, we were increasingly concerned about the HAA property. Mid-afternoon the rain stopped and the water had receded enough that we were able to wade up to the school.

The flood had washed away the sand and mulch in playground and volleyball court, floated the sheds and dumpster to new locations in the back parking lot, completely covered the soccer field, and lapped at the front doors of the school, we were prepared to see major damage in the building. But God had answered our prayers for protection and angels had held the waters back keeping every classroom completely dry!

"Now the springs of the deep and the floodgates of the heavens had been closed, and the rain had stopped falling from the sky. The water receded steadily from the earth," -Genesis 8:2-3a

Thank you for your generosity!

Imagine a school filled with joyous children reading, making music, studying, playing sports, making friends, and learning about Jesus. That place is HAA and now we have the opportunity to extend that vision to students throughout Chicagoland and grow both academic and extra-curricular programs.

HAA was blessed with a \$100,000 challenge grant to raise another \$100,000. On June 30, we reached the \$100,000 goal! We are so fortunate to have so many amazing members of the HAA family who donated to this! A special thanks to the Home and School Association, The HAA Class of 2020, The Illinois Conference, and many more!

HAA Board of Trustees 2021-2022

Heather Hoffman, HAA Board of Trustees Chair

Dear Families and fellow Constituents,

As we look forward to the start of a new school year, it is exciting to see all the great things that have been happening this summer, as well as, what is planned for this coming school year. The start of the school year also brings a few changes within the School Board. We want to bring these to your attention as we move into the 20/21 school year.

This year Dr. Meechai Tessalee, who has served on our Board for more than ten years, will be rotating off the board. We are extremely grateful for Dr. Tessalee's passion and leadership over this time.

We are excited to welcome Mrs. Tatjana Korac as a new board member this school year. Mrs. Korac has an excitement and passion for Adventist education! She has two daughters, one who recently graduated from HAA, and the other will be a sophomore this year.

Leadership: Mrs. Heather Hoffman served as the Chairperson for the 20/21 school year and Mr. Kurt Martz served as Vice-Chair. They focused on continuing to engage with the Board, Illinois Conference of Seventh-day Adventists, hospital leadership, school teachers and administration, and our church and community partners, to build on the long legacy of training students to lead lives of purpose, service and leadership.

Together, with a focus on sharing Jesus with our community and God's guidance, we're looking forward to our best school year yet.

Working together,
