Principal's Corner

Greetings HAA Family:

Among the life-changing programs that are offered at HAA, my favorite is Week of Worship. This spiritually rich week, occurring in the Fall and Spring, helps our students understand the bigger picture of the great controversy between good and evil, as well as the prevailing and merciful love of God. Starting this Monday, October 4, please join us in fervent prayer for life-changing, eternal results for our students and our wider school community. We warmly welcome the speaker, Pastor Andres Flores, from EPIC church.

For grades K-8, the first quarter comes to an end next Friday, October 8. Weekly progress reports are sent out every Friday for your review. Parent-teacher conferences will take place on Wednesday and Thursday, October 20 & 21. Conferences will be set up through Zoom--more information forthcoming on how to sign up with your child/ren's teacher. If you are not able to meet with your child's teacher during this time, please contact the teacher(s) via email to set up an alternate time to meet.

We are so grateful to have our students fully in-person this school year! Because every minute of instructional time counts, we thank you for making sure your students are at school on time. Students are tardy after 8:00 Am. **For safety reasons, please do not drop your students off prior to 7:40 am as there is no before-care or guarantee of supervision.**

We thank you for choosing Hinsdale Adventist Academy and look forward to a blessed and exciting month of October!

HEALTH CORNER

- **Free weekly COVID PCR testing is available to all parents and students who are interested.**
- With cold and flu season just around the corner, please make sure your children are eating healthy foods, drinking plenty of water, and getting enough sleep.
- Please send your child with a **mask from home that fits**, as this helps prevent transmission of respiratory droplets from reaching others. We have limited supplies for emergency use.
- Keep your students home when they exhibit symptoms associated with COVID, such as headache, fever, cough, stomach ache, runny nose, etc.
- It is imperative to report when a household member has tested positive for COVID-19 or is displaying symptoms.
- If you child have received their COVID-19 vaccination, please provide a copy of the vaccination card for their medical file.
- According to the IL Department of Health "Schools shall Exclude any Student or School Personnel who exhibit symptoms of COVID-19, as defined by the CDC, until they test negative for COVID-19 or for a minimum of 10 days, until they are fever free for 24 hours and until 48 hours after diarrhea or vomiting have ceased."
- **In order to return to school after you have experience ANY Covid symptoms you must provide a negative PCR test.**

NEXT MEETING - OCTOBER 5 - 6:30pm

We are looking for corporate sponsors for the annual walk-a-thon, if you own a business or know someone who does, let us know! We'd be happy to give you a sponsorship form, your business will be featured on our t-shirt!

This year we are hoping to raise \$35,000 for major capital improvements such as remodeling the kitchen to keep up with current standards, re-paving the parking lot, replacing ceiling tiles, renovating the air conditioning system, and other related building projects. HAA is dedicated to ensuring our kids have the safest and most comfortable environment possible to learn.

Pledge forms were given out this week, please take the time to talk to neighbors, family, and friends to help support your child on this year's HAA Walkathon!

Mission at Home Medical Clinic

The clinic is free and open to the public. Families and children are welcome!

AMITA Health's healing mission calls us to extend care to all people – especially those in our local communities who may not be able to afford healthcare. It's a way we can fulfill our mission at home – directly to those who need medical care regardless of insurance or immigration status. Join us to receive free medical services, including:

- Dental exams (adults and children)
- Diabetes and Hypertension Management
- Nutrition Education
- Flu shots
- Laboratory screenings: glucose, urinalysis and pregnancy
- Pharmacy: Free medication (based on medical exam at event)
- Primary Care
- Podiatry
- Ophthalmology

We also will provide access to other care services such as:

- Access DuPage and Pillars Community Health: connecting patients with a medical home, specialty referrals and access to affordable medications
- Chaplain services
- Counseling services referrals
- Food pantry referrals and free food staple box while supplies last
- Social Service evaluation and referrals

This event will be held in accordance with CDC guidelines and social distancing protocols will be followed to keep everyone safe.
