PRINCIPAL'S MESSAGE

As this annual comes into your hands, the nine months of the school year will become a matter of record in the registers of the school, in the books of heaven, and in the minds and hearts of students and staff.

In the coming years as you review the events of your life, it is my hope that this year will be remembered as one which helped you on the road to success in this life and a place of happiness in the earth made new.

May the mistakes of this year be forgotten and forgiven, and may the victories won and the forward steps taken be foremost in our lives.
