Summer Camp at HAA

Summer is always a fun time of year and Summer Camp at HAA makes it even better! With weekly field trips to parks, museums, farms, and so much more, students from ages 3 to 11 are spending their days learning and having fun. When the campers are not on field trips exploring our area, they're making arts and crafts, playing water games, and making friends. There's still time to sign up for summer camp dates, if you're interested please contact Shelly Healy at michelle.healy@haa.org or call 630-323-9211 ex. 1170 for more information.

Summer fun for everyone!

We're taking advantage of the summer months to do some upgrades around the school. One of the most noticeable projects so far are the office facelifts. The piano practice room has moved down the hall and the space was converted back to the business office with new carpet & furniture and a fresh coat of paint. The front office

had new carpet installed, paint refreshed, and the space reconfigured to be more useable. The Home & School Association generously sponsored the new carpet in the front offices. Stay tuned to see the other projects that are happening around our school this summer.

Summer Basketball Camp

The HAA athletic department hosted a basketball camp June 12-14. Over 30 students were able to learn tips, improve their skills, and have fun. Coach Alabata is planning to host other sports camps later this summer, watch social media and your email to learn more!
