BROADVIEW ACADEMY

*The School That
Develops Character
Above Intellect*

*Congratulations, Class of 1985
from your friends at
Broadview Academy.
We look forward to you continuing
your Christian Education
with us at BVA.*

At Andrews a great education is never enough.

Most of our nation's colleges think a great education is good enough.

We don't. Like other Adventist colleges we think there's more. A lot more.

Naturally, we at Andrews take pride in offering some of the finest degree programs in Adventist education.

And of course we're happy with the high percentage of job placement among our graduating students.

But that's just the beginning. Because Andrews is a Seventh-day Adventist university, religious life is central to what an Andrews education is all about.

Throughout your life you may have heard of "higher education—higher values." At Andrews, you experience it.

There's a genuine friendliness that permeates our campus.

It includes people who are willing to reach out and help in all kinds of ways.

People who care about you as a student and a person.

People who work together. People who pray together.

You see, at Andrews, throughout every activity and every course, you'll be immersed in an educational experience along side people who share your commitment to Christ, and who believe, like you do, in the infinite worth of an Adventist education.

So why go to college and just get a great education when you can attend Andrews University and get a great education...and then some.

Discover Andrews. Call one of our admission counselors toll free: **Nationwide call 1-800-253-2874. For Michigan residents dial 1-800-632-2248.**
