GET SERIOUS

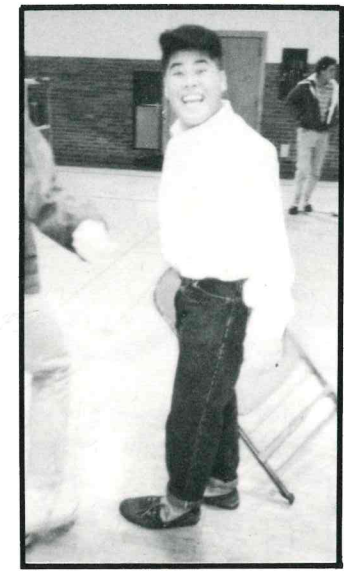

HINSDALE ADVENTIST ACADEMY
 LIBRARY

Through periods of time we've all heard the saying "There's a time and place for everything." The 90's is the time to GET SERIOUS! The complex game of life can only be played once, so you better make it good!

We're not saying we should be walking zombies obeying our master's every command! Whatever you do, whether it be sports, studies, or music, put your best effort into it. Take it seriously!

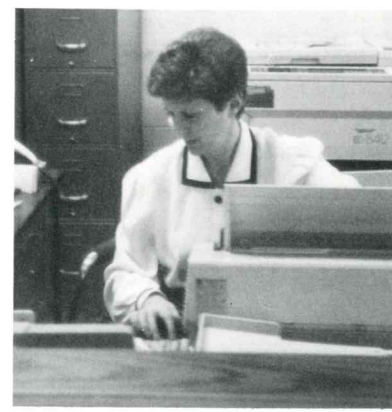

This decade is a time to GET SERIOUS. People are doing all they can to improve the environment and life. We should do our part to make this world a better place. After all, someday this will be our world. Time is going to fly by so fast you're going to wonder where it all went, so now is the time toGET SERIOUS!

DEDICATION

This year we are dedicating our yearbook to one of the most important people in our school. As our secretary, Veryl Kelley is the best we could hope for. She acts as a receptionist, nurse, cashier, advisor, friend, and mother to us. She's the person who will do the very best she can to help you even if it means putting off something she's doing.

Her smile always greets you and brightens your day. She has a very distinctive way of making each person feel special.

So we dedicate this book to Mrs. Veryl Kelley as a small token of our thanks. We appreciate her more than we can ever express in words.

PRINCIPAL REFLECTIONS

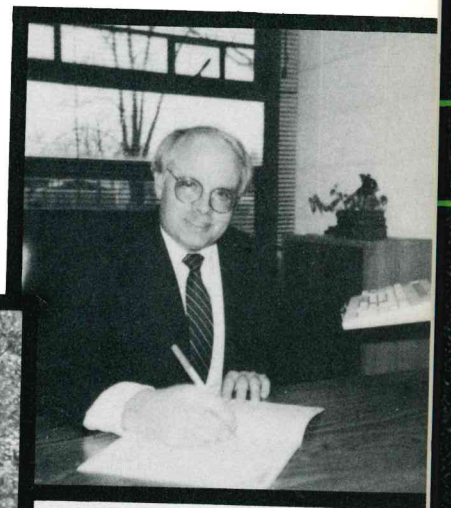

Isn't time a strange thing?! I'm writing this near the beginning of the school year for you to read at the end! Between then and now, all sorts of experiences will happen. Some of these experiences will be good, some bad. Some will be forgotten and others will be "frozen" in our memory.

School annuals, like this one, are "memory prodders" to help us recapture those memories of the school year past. If your experience is like most—the value of this book will grow with time. It will be valuable to you as well, because it chronicles your growth as a person and documents your relationships with friends and teachers. I know that as you look through the pages of this book; that the pictures, names, and thoughts will help you relive all the great experiences of this year.

My prayer is that this annual will also remind you of a daily growing love for Jesus and commitment to sharing your life with HIM! "Time" will soon be over and we can get on with the exciting business of enjoying eternity with a memory that never forgets! May each day of this school year past have practically helped you to long for this fantastic end of time! It can't be long!

This year we have been blessed to have the opportunities to spiritually grow in Christ and walk with Him through various means.

In the beginning of the year, Dr. Straman spent the Fall Week of Prayer with us and showed everyone that, indeed, "You Make a Difference."

Every class had their own special projects to help other people learn more of Christ. Our school especially supported the troops during the Middle East crisis by writing letters and sending cards.

The Holy Spirit worked by guiding us to know more about Christ, the Bible, and most importantly, ourselves and our relationship with Him.

YEARBOOK

We're done! After a long and grueling schedule of painstakingly slaving over spreads for hours, days, weeks, and months, we decided to "GET SERIOUS" and now IT'S FINALLY OVER!

Wow, this year has been excellent! I hope everyone has enjoyed it as much as I have. We have had many struggles, but we all pulled together and got through. And then there were the great times that we all laughed and enjoyed life.

I want to wish everyone the best. To next year's editor I hope you have a lot of patience. Good luck with deadlines and pace yourself. To my class I would like to say I love you all, and I appreciate your patience and understanding with me.

I hope you've enjoyed looking through this beautiful book. The yearbook staff and I had quite a challenge to put it together before we went absolutely bonkers!

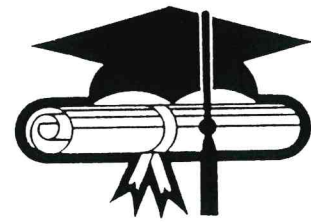

We've grown together as a school but more importantly as a family of God.
