### **THE EDITOR'S NOTE**

Welcome to this year's Annual. My name is Reneé Schalk and I am the editor. I would just like to say that my staff and I have worked very hard on this annual and we tried to get everyone in it. If we haven't, we're sorry. We hope that you will enjoy this annual and that you are pleased with our work.

We appreciate the students' support in all their activities and duties, they were very cooperative. We would also like to show our appreciation to those who contributed funds to each page of the annual and those who put ads in the back.

In conclusion, I would like to remind you that this annual is dedicated to you.

## **Ashish N. Shah**

**September 3, 1975-January 19, 1984**

Dear Ashish,

I will always remember you as a close friend and as a younger brother. I remember you yelling "Hi Larry" when I was playing basketball. I wish I could have told you how good it made me feel. Or after a hard day at school I had something good to look forward to seeing you in the hallway and talking about your cars or what you received for Christmas.

But I'm glad you liked it here at H.J.A. and you've found some friends. I think the whole school fell into shock on January 19, 1984; but hey, I'll catch ya' in heaven and we'll have a few more good times.

Love,  
Dill

## **WHATEVER IT TAKES** is a very big word.

Well, maybe not a word, exactly. But a commitment—a commitment about money. Andrews University will do whatever it takes to give you an opportunity for a Christian education. We give you the chance. You make the choice.

It's called the Stretch Concept. It simply means that if you do everything you can to make ends meet for college, Andrews will do the rest. You must apply for all the loans and grants available and work to your potential. Your parents must stretch to help you, if they can help at all. Then Andrews will make up any difference. ANY DIFFERENCE. \$500, \$1,000, \$2,000—sometimes as much as \$3,000. You reach as far as you can and Andrews will pull you the rest of the way.

With the Stretch Concept at Andrews you can't honestly say that a lack of money kept you out of an Adventist college. Because Andrews does whatever it takes.

Sound too good to be true?  
Put us to the test—toll-free.  
We're ready and waiting  
to stretch for you.
