Hinsdale Jr. Academy has enlarged in size and in student enrollment. The new addition has greatly improved the appearance of H.J.A. The colorful lockers and handpainted numerals add a touch of uniqueness. The new rooms provide more space for all.

## PRINCIPAL'S MESSAGE

It has always been a desire of mine to have our school working so well that it produces 100% Christians 100% of the time. Insert the young people through the front door, turn the machinery on, and by the end of the school year—out pops sturdy Christians.

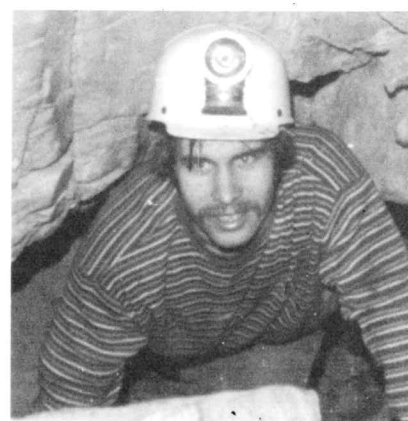

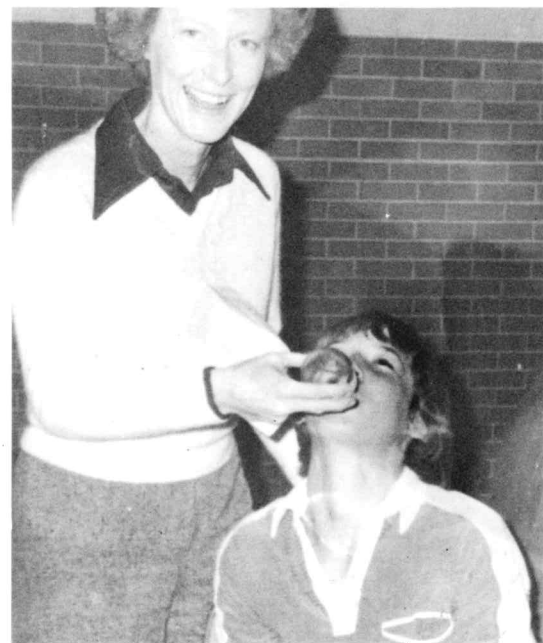

We all know this is not so because there are too many factors involved. But I am happy that we have so many practicing Christians among our young people and more who are under construction.

1980-81 promises to be a good year for Hinsdale Junior Academy, and if the faculty and the students seek God's spirit as one who hungers and thirsts, then it could be the greatest year ever.

# RELIGIOUS ACTIVITIES

Bible Camp this year was a rewarding experience and a great success. The speaker was Dr. Milton Siepman, from Berrien Springs. He told many exciting experiences of his years in Africa as a missionary. A caving trip, canoeing, and a trip to the Garden of the Gods completed a great weekend.

# GYNAUTIC'S

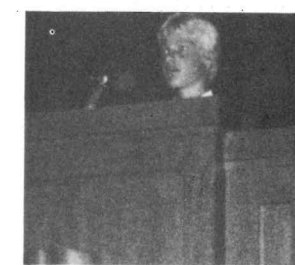

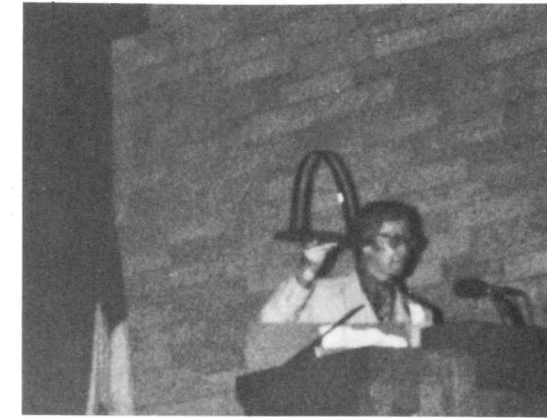

The Hinsdale Junior Academy Gynautic's were started in the year 1971-72 by Mr. Gatling. He taught tumbling for seven years. Several of the members now were on the team when Gatling taught.

This year our coach is Mr. Mosher. He along with the captain, Sam Jenkot; Co-captain, Dave Bolin; and Mr. Cinquemani have worked very hard to put the programs together. The theme for this year was patriotism. For the main routines the costumes were red and white warm-up suits. They have 29 members and their grades range from second up to tenth. The first program was March 14. They had several trips planned. April 25 was their home program.

The team members would like to thank all those hard-working people who made it possible for them to get so much enjoyment out of this year.

## Precious Memories

Memories from the past—  
 Fun times, sad times, exciting times.  
 Things that are unforgettable, indelible.  
 When you grow old and scan  
 the pages of childhood memories,  
 With your thoughts shifting from time to time,  
 you can glance back at the intimate,  
 beloved year-book of "81".  
 You can laugh, cry, with the momentous  
 projections of your past experience.  
 You can discover and share the feelings  
 you once had as a child.  
 Your days can't be replayed!  
 But memories of "81" can help you  
 perpetuate your memories for a life time.
